1 A little about the VSL

The BC Honda Vancouver Squash League (BCH VSL) is a non-profit amateur sports league sanctioned by Squash BC and run by volunteers.

OUR MISSION STATEMENT

The players participating in the BCH VSL are amateurs that are playing because of a love for the game of squash. Participants, spectators, and members the BCH VSL are expected to always treat opponents, officials and spectators with the utmost courtesy, hospitality, and good sportsmanship.

OUR PHILOSOPHY

The BCH VSL expects all matches and games to be played with a spirit of sportsmanship that places the responsibility for fair play on the player NOT the referee. Highly competitive play is encouraged but never at the expense of mutual respect among competitors. If you play in our league you love the game of squash and you know the rules. The VSL aims to ensure that all players can have a competitive evening of squash followed by an enjoyable session of socializing.

2 A how to guide to Quick-Draws

How do I find the VSL on Quick-Draws?

1. Head to www.quick-draws.com
2. Click on “SQUASH BC” on the top left of the main navigation. This will take you to the Squash BC section of Quick-Draws.
3. Click on “Leagues” in the menu on the left.
4. Now select the Quick-Draws league “The BC Honda Vancouver Squash League”.

5. You'll see a familiar banner and you're going to want to bookmark this page so you don't have to go through all those steps:

<http://www.quick-draws.com/TeamLeagues/HomePage.php?lid=100>

How do I Login?

1. You will receive your password approximately two weeks before the season starts. Ask your club professional if you haven't.
2. Click on "Login: Captain"
3. Select your team's division
4. Select your team, enter your password and click "submit"

Now what? You can do it all here!

1. Edit your contact info first. Try to fill in every blank please. More contact info is better!
2. Give your team a name that also includes your division # somewhere: ie) "A2 Squashers" is a Div 2 team.
3. Add your team players. Type in their full name and select them from the drop-down menu. If you find you can't add a specific player check with them to make sure they're signed up with Squash BC. If they don't know check with your club professional. Remember that most clubs that register players do so shortly before the deadline of October 31.
4. You can designate their position on the roster but remember that Quick-Draws will rank your players according to their BCH VSL rankings. (see Rule 8.1.3)
5. Enter your match results here too. **MAKE SURE** your paper match results have everyone's name spelled out neatly so that when you're entering results you don't have to guess.

3 Getting ready for league

FRIDAY BEFORE

Confirm your start time with the opposing captain.

Make sure that your players will be available at the club, and **ready to play and referee**, **ON TIME** and resolve any anticipated problems. Delayed starts can cause a domino effect for teams scheduled after you and no one wants to start eating dinner at 11pm.

Do you have a DEFAULT?

Make sure you let the opposing captain know **as soon as possible** if you're not going to have a complete team. It's the nice thing to do.

If there are changes from the posted start times on Quick-Draws make sure to inform your players and the opposing captain at the very earliest date.

GAME DAY

Download your score sheet for the evening. This is the standard scoring sheet for single games.

http://www.vancouversquashleague.com/VSL_Score_Sheet.pdf

Download your match score sheet. This is the sheet you will use to record ALL game scores for the evening.

http://www.vancouversquashleague.com/Match_Score_Sheet.pdf

Arrange to meet with the opposing captain at the venue 5-10 minutes before the start time and arrange the order of the individual matches. Just write down your 1 through 5 and have them do the same. No one has to write down their team first. Don't mix and match players or move them around. That's bad form and Quick-Draws now has your team listed by ranking points so

The captains should fill out the match score sheet neatly (first AND last name – no nicknames) so that when you're entering results you don't have to guess at someone's name. Offer the "Away" captain a copy of the scoresheet for their records.

Assign at least one official referee for each match and direct players to courts. Limit warm up to five (5) minutes. Prompt commencement of play is important and captains should consider utilizing the 10-minute default rule for excessive lateness (see Rule 7.2.2). Captains should also ensure that significant late arrival of teams, whether visiting or hosting, are brought to the attention of the League Coordinator.

If you are host captain, make arrangements for refreshments to be available throughout the night. These should be of satisfactory quality and quantity. Remember our philosophy☺

Captains should resolve any alleged infractions of rules wherever possible as soon as possible. It's not a bad idea to carry a copy of the rules in your squash bag to refer to. You can get a free copy of the rules by attending the FREE REF CLINICS held in October.

Encourage all players to stay and enjoy the entire evening of squash and socializing.

HOST CAPTAIN'S RESPONSIBILITIES

The host captain is responsible for:

1. Checking with the other captain to see if anyone has food issues.
2. Making sure every match has a referee who knows the rules.
3. Filling out the Match Score Sheet and giving the opposing captain a copy. If you are unfamiliar with the process ask your Club Representative to assist you.
4. Entering the results on Quick-Draws that evening or first thing the next morning. This is actually a rule. Everyone loves checking the standings. Don't be the last team to enter your scores.

5. CONFIRM the scoring system: “7.5.2 In the Open Divisions captains have the option of agreeing to play PAR 15 (where if the score reaches 14-all, the game continues until one player leads by two.) If they cannot agree, play must be PAR to 11 points (where if the score reaches 10-all, the game continues until one player leads by two.)

7.5.3 The official scoring system of the Women’s Divisions is PAR (point-a-rally) to 15. The player who scores 15 points first wins the game except that if the score reaches 14-all, the game continues until one player leads by two.

POST GAME

Make sure that the socializing is going well:)

Check about next week with your players before they depart to prevent annoying surprises.

4 Some general tips

GENERAL TIPS

- If you are to be absent for any given week, make sure that you appoint a stand-in captain who has very specific and clear instructions on the responsibilities and duties of being captain. This is very important as your team could be penalized for late result entries.

- Captains should be aware that there are issues, primarily around the socializing side of league, that may need to be addressed when juniors are playing in an adult oriented league. It is the responsibility of the Captain/Club Rep to be aware of these issues and to make all expectations known to the junior(s) playing on the team. The BCH VSL encourages juniors to participate in the league and asks all captains to make every effort to include the juniors even if it means having dinner in a restaurant instead of your team bar.

- Verify match results and report any discrepancies immediately. If you’re not the home captain you need to check how the other captain entered the scores. Keep copies of the match score sheets. It’s good reference material and could come in handy.

- **SCORING DEFAULTS!**

You’re guaranteed to have at least one match this season be a default. If it’s your team PLEASE let the other captain know as soon as you can that you’re not bringing a full team.

If you’re the host captain and you’re entering the results of a default NEVER enter a 0 – 0 result. There’s no such thing. (Unless both teams can only bring 4 players.) The team that didn’t bring a player gets the zero and their player name is entered as “DEFAULT”. The winning team enters the player’s name that usually plays that position so it’s not “Default” 3 over “Default” 0.

- Keep your players informed of league standings. You are central to your team's enthusiasm, enjoyment of the league experience and success on court.
- Be sure your contact information is included and UP TO DATE on Quick-Draws.
- Ensure that ALL of your team members are members of Squash BC. All players competing in the league must be current individual members of Squash BC to avoid penalties. (See Rule 4.2.2 re spares.) If your team relies on spares make sure that they become members before they play a second time for your team. (It's in their interest as a Squash BC membership offers insurance benefits.)
- Remember the philosophy of the league ("Highly competitive play is encouraged but never at the expense of mutual respect among competitors") and ensure all players can have a competitive evening of squash followed by an enjoyable session of socializing.
- The cost of hosting is split between the two participating teams during playoffs.

5 This year's "NEW" rules

The BCH VSL's rules can be found here: <http://www.vancouversquashleague.com/rules/>
Familiarize yourself with them before league starts.

NEW RULES

> Rule 5.2.3 has been amended to allow matches missed before Christmas to be rescheduled in January.

Rule 5.2.3 – ORIGINAL

Matches missed for unforeseeable circumstances (i.e., snowstorms) must be rescheduled promptly. A missed match before Christmas must be rescheduled and played during the Christmas break. Those missed after Christmas must be rescheduled and played up to and including the last scheduled match in that division.

Rule 5.2.3 – REVISED

Matches missed for unforeseeable circumstances (i.e., snowstorms) must be rescheduled promptly. A missed match before Christmas must be rescheduled and played either during the Christmas break or in the month of January following. Those missed after Christmas must be rescheduled and played up to and including the last scheduled match in that division.

•

> A new rule, Rule 7.3.4, was introduced that specifically deals with outcome of a defaulted match. This rule addresses the perceived iniquity of 20-0 match scores.

Rule 7.3.4 – NEW

In the case of a team defaulting, the winning team will receive the average of their scores in the cycle in which the default occurs.

•

> Rule 8.1.3 was revised. Quick-Draws, (specifically the VSL rankings on Quick-Draws), is now the standard for organizing a team roster.

Rule 8.1.3 – ORIGINAL

Quick-Draws' ranking system may be used by captains as a source of information to decide a player's position on their team roster.

Rule 8.1.3 – NEW

Quick-Draws (VSL) ranking system is to be used by captains to decide a player's position on their team roster, unless otherwise agreed before play.

•

> Two new rules regarding AGM protocols were introduced.

Rule 10.1.1 – NEW

The VSL AGM will follow a fixed order of business in accordance with Robert's Rules of Order.

Rule 10.1.2 – NEW

A proxy may be used at the AGM. A proxy form must be signed only by the captain of a team and may be given to anyone of his/her choosing who is attending in person at the AGM. The proxy form will be used for voting on matters that are listed on the AGM agenda only, where the captain has given his/her vote(s) to their proxy on those matters, and not on matters raised for the first time and voted on at the AGM.

FREE REF CLINICS

The BCH VSL is hosting free referee clinics coming up in October and the goal is to get everyone in the BCH VSL to attend a clinic to help them upgrade their understanding of the rules. It's free and you get a free rule book!

This year we're hosting at Bentall Centre Athletic Club for Vancouver players, The River

Club for those in Richmond and Evergreen Squash Club for North Van players. There's really no excuse for missing out!

There will also be an advanced ref clinic for the higher division's players. Watch for info on our website and on Facebook.
